

ICP Strategic Plan 2024-2026

WHO

The International Confederation of Principals (ICP) is the only global professional network of national school leader associations.

WHAT/ WHY

The International Confederation of Principals (ICP) is dedicated to the development, support and promotion of school leadership globally.

HOW

Theme

We have three current priorities:

1. To encourage more members in the profession to take on the role of school Principal
2. To Promote sustainable leadership allowing Principals to remain in the role for a longer period of time.
3. To foster the role of student voice in school leadership

Methods we will use

Research, using information from ICP

Collaboration and networking, through face to face and online meetings

Learning from one another and invited speakers when we meet together.
